4. PREA TRAINING FOR TRAINERS DESCRIPTION

PREA Training for Trainers

In this course, participants will receive training in four (4) highly interactive training modules intended for compliance with PREA training standards. The training is divided into 4 modules ranging from 1- 4 hours. This allows the presenters to deliver the modules individually overtime or all at once. The training modules have been developed so each jurisdiction can insert their policies where applicable. Upon successful completion participants will be provided access to lesson plans, handouts, presentation materials, test materials and group ideas. The training was developed as part of a training and technical assistance grant from the PREA Resource Center in collaboration with The MOSS Group and the Oregon Juvenile Detention Managers.
